126 cases in 2004, 184 cases in 2005 and 183 cases in 2006 did not report a zip code. 48, 59 and 58 cases for the three years, respectively, reported residence in zip codes 44100 and 44101. Cases listed with zip coded 44185, 44194, 44199 are not posted. Zip codes 44023, 44040, and 44041 had < 10 cases/year. See Methodology section for census denominator adjustment. Results are suppressed where either the denominator <20 or the numerator <5. N/A refers to rates that are not available.
