Union-Miles	15,464	14,159		-8.44%
University	9,469	8,670		-8.44%
West Boulevard	17,317	15,856		-8.44%
Woodland Hills	11,574	10,598		-8.44%
<b>TOTAL</b>	478,403	<b>438,042</b>	<b>(1)</b>	-8.44%
<b>CLEVELAND CITY</b>	478,403	<b>438,042</b>	<b>(1)</b>	-8.44%
<b>COUNTY</b>	1,393,978	<b>1,295,958</b>	<b>(2)</b>	-7.03%

(1) 2007 Population estimate obtained from the US Census Bureau Population Estimates Program at <http://factfinder.census.gov/servlet/SAFFPopulation>, accessed 12/04/2008.

(2) 2007 Population estimate obtained from the US Census Bureau Population Estimates Program at <http://factfinder.census.gov/servlet/SAFFPopulation>, accessed 12/04/2008.

(3) Data obtained from NEO CANDO system, Center on Urban Poverty and Community Development, MSASS, Case Western Reserve University (<http://neocando.case.edu>).

(4) 2007 population estimates are based on a linear interpolation method. First, the percent change in Cleveland population is determined as an 8.4366% decrease from 2000 to 2007. This adjustment is made to all neighborhood populations, assuming equal population change across all neighborhoods over the eight year period.
